Dear Members

As it is known, Borsa İstanbul applies instrument and/or investor based measures in accordance with the Volatility Based Measures System and the Directive on Surveillance Measures. Information regarding these measures can be accessed through “Yatırım Aracı Bazında Uygulanan Tedbirler” (https://www.borsaistanbul.com/erd/menkul_tedbir_listesi.csv) and Yatırımcı Bazında Uygulanan Tedbir Listesi” (https://www.borsaistanbul.com/erd/yatirimci_tedbir_listesi.csv) files which are available under "Pay Piyasası" heading of the "ÜYE ÖZEL" section (<https://www.borsaistanbul.com/tr/sayfa/1890/elektronik-rapor-dagitimi>) of Borsa İstanbul's website.

Upon the requests of our members to access all the information provided by Borsa İstanbul through a single environment, it will be possible to receive the files related to instrument and investor based measures taken by Borsa İstanbul through the VERDA environment.

In this regard, from 15/11/2021 onwards, information regarding instrument and investor based measures taken by Borsa İstanbul will be accessed from the VERDA environment through “Menkul Tedbir Listesi” (ID: 1823) and “Yatırımcı Tedbir Listesi” (ID:1822) files which are located in the "BISTECH Pay Piyasası" folder.

These files can be accessed from the VERDA system through

- VERDA menu of the Connect application which is available at <https://connect.borsaistanbul.com/>

OR

- Rest service with API user, by downloading programmatically. Sample file download request URL is as follows:
 - Instrument based measures list: <https://verda.borsaistanbul.com/files/download?type=1823>

- Investor based measures

list: <https://verda.borsaistanbul.com/files/download?type=1822>

User guide for the VERDA API is available at https://www.borsaistanbul.com/files/bistech-verda-http-rest-api-integration-manual_tr.pdf

The files regarding the measures taken by Borsa İstanbul will not be uploaded to the "ÜYE ÖZEL" section of Borsa İstanbul's website after a while. Therefore it is important for our members to make the necessary updates in their systems in order to avoid any operational problems.

Kindly submitted to your information and to your consideration for necessary actions.
