Subject : BISTECH 3.0 New Version Announcement

To Whom It May Concern,

Reference: Announcement dated 01/03/2023 numbered 2023-15528

In the mentioned announcement, the information was given about the dress rehearsal tests to be carried out within the scope of the preparations for the new version of BISTECH system (named as BISTECH 3.0), which will go-live in the production environment on June 12, 2023. In the announcement, it was also stated that technical details, content of the test scenarios and information about distribution of reports related to these tests would be shared with a separate announcement.

Information about the BISTECH 3.0 dress rehearsal tests to be held on April 15, May 13 and June 3, 2023 has been presented to our members and data vendors in the annex of this announcement. In order for the dress rehearsals to be successfully carried out, it is expected that the announcement mentioned in the reference and the information in the annex of this announcement will be taken into account and evaluated together. A separate announcement containing technical details and scenario contents for dress rehearsal tests will be shared by Takasbank.

It is important that all our members and data vendors are expected to participate in dress rehearsal tests on the specified dates.

For any questions or issues related to the subject, please contact bistechsupport_autoticket@borsaistanbul.com email address and/or +902122982427 phone number.

Kindly submitted to your information.

Yours Sincerely,
