	Subject	Technology Services and Market Access Fees to be Applied in 2022 and the Procedures Regarding GLIMPSE User and Time Server Service
	Approval Date	10.12./2021
	Prepared by	Data, Technology and Member Services Department
	Distribution	Members

Dear Members,

The following changes will be taken into effect for technology services and market access fees for 2022 and the procedures regarding GLIMPSE user and time server service:

- Additional GLIMPSE User(s) which is/are given on request on top of the GLIMPSE user initially given to each Subscriber (either for itself or the institutions it distributes) per market will be charged for 800 TRY+VAT for domestic customers and 100 USD+VAT for international customers.
- Regarding time server services, the NTP will be charged for each customer regardless of number of cabinets/locations and the PTP will be charged for each connection made to customers' cabinet/s.
- The TRY fees charged to domestic customers will be increased by approximately 20% in 2022 as detailed in the attached table.
- The USD fees charged to international customers will remain same.

Sincerely,

Korkmaz ERGUN
CEO
Board Member
