BORSA İSTANBUL A.Ş.
GENERAL DIRECTORATE

07.02.2025

Number : 18454353-100.04.02- 33057

Subject : Member Tests for BISTECH System 3.12 Version

To Whom It May Concern,

Ref: Announcement dated 15.01.2025 and numbered 2025/ 32248

Previously related announcement has been shared that BISTECH System improvements and developments continue with the requirements of product and service diversity and the new version called 3.12, is planned to go live (Production) as of **May 12, 2025**.

BISTECH Member Free Test Environment (pre_prod test environment) will be updated on **February 10, 2025** with the release of 3.12. The new version is expected to be tested and checked by members prior to deployment.

BISTECH 3.12 version includes general system improvements as well as new session flow change planning for IPOs in addition to the scope specified in the related announcement. The planned changes within this context are attached to the announcement.

Technical upgrade will be made to BISTECH Clearing Workstation application, details of which will be shared later by Takasbank.

Test environments information can be accessed from <https://connectint3.borsaistanbul.com/login> Verda Menu "Application Software".

The updated technical documents including the version 3.12 changes, the FIX data dictionary and the Self-Match Prevention Technical Functionality Principles document are available at <https://borsaistanbul.com/en/sayfa/2530/technical-documents>.

For all the questions and issues on the subject, please contact bistechsupport_autoticket@borsaistanbul.com.
