Subject : Announcement About Changes Made Within the 12th Revision of the Precious Metals and Precious Stones Market Procedure.

To Whom It May Concern

The comparison table regarding the changes made within the scope of the 12th revision of the Precious Metals and Diamond Market Procedure is included in Annex, and the current texts of the related regulation can be accessed via the Borsa Istanbul website link below.

On the other hand, the information note summarizing the changes made due to the addition of the Weighted Average Price-2 (AOF-2) regarding standard gold transactions, which does not include transactions of a registered nature, to be calculated and published as of 17.03.2025, to the daily bulletin and other relevant sections of Borsa İstanbul corporate website is attached.

Kindly submitted to your information.

Yours Sincerely,

Korkmaz ERGUN
CEO and Board Member
