Subject : Announcement Regarding the Update of the BIST Market Cap Weighted Stock
Indices Methodology

To Whom It May Concern

Stock Indices are periodically reviewed by the Borsa Istanbul Financial Benchmarks Committee (Committee), reflecting developments in the markets and changes arising from local and international legislation, meeting requests received from market participants that are deemed appropriate, and making the necessary updates accordingly.

Borsa İstanbul Management has decided to make;

- The following changes on the BIST Market Cap Weighted Stock Indices methodology presented in Appendix 1;
 - a) “2.14. Excluded Stocks” section shall be updated to emphasize that capital market instruments traded on the Commodity Market are not included in any of the stock indices,
 - b) “2.24. ESG Score”, “6.6. BIST Sustainability Index”, “6.7. BIST Sustainability 25 Index” sections shall be updated to allow for the concurrent use of sustainability scores published under LSEG’s old and new valuation methodologies throughout the Transition Period,
- With regard to item a) of the changes listed above, it is classified as a Non-Material Change based on Article 7.6 titled “Non-Material Changes” of the Financial Benchmarks Management Procedure and to follow the procedures and principles specified in the said article; for item b) of the changes listed above, it is classified as an “Urgent Material Change” in accordance with Section 7.7 titled “Urgent Material Changes” of the same procedure, and the procedures and principles specified in said section shall be followed,

and to implement the changes as of June 15, 2026. The final version of the Methodology is provided in Appendix 2.

The announcement and its annexes are available on the “Index Announcements” section of Borsa İstanbul corporate website (www.borsaistanbul.com/en).
