- Announcement dated March 21, 2018 and numbered 2018/20
 - Announcement dated May 02, 2018 and numbered 2018/35
 - Announcement dated May 14, 2018 and numbered 2018/40

With the Announcement referenced in Reference c), it was announced that rehearsals were being planned on May 19, 2018 and on May 26, 2018 weekends, which were to be performed on the production systems going live with Phase 2+, similar to the go-live rehearsals, which had been held on April 28, 2018. A rehearsal similar to the one performed on May 19, 2018 has been planned to take place on May 26, 2018. The actions to be taken in this respect are stated below:

1) BISTECH Phase 2+ Rehearsals in the New Production Environment

On May 26, 2018 Saturday, the New Phase 2+ Production Environment shall be opened with the “Rehearsal” data, in other words, to simulate the day after May 25, 2018, **as May 26, 2018 Saturday, as business day**. Sessions shall start at 11:00 AM for all markets, and afterwards the daily workflow shall continue in accordance with the timetables, which will be in effect in the production environment. The accessing information regarding the New Phase 2+ Production Environment will be as it was announced within the Announcement referenced in Reference a).

2) Actions to be Taken in Rehearsal Environment

In order to ensure that all members and data dissemination vendors actively participate in the pre-go-live checks and tests in the New Phase 2+ Production Environment, **Rehearsal Environment shall be kept closed all day** on May 26, 2018 Saturday. The “Rehearsal” test plan, which is currently in effect, will be back in effect as of May 27, 2018 Sunday.

Participation in the BISTECH Phase 2+ New Production Environment is mandatory for all members and data dissemination vendors.
